LOWER ELWHA KLALLAM TRIBE Troll Regulations F17-014-Corrected

The following regulation is promulgated by the Lower Elwha Klallam Tribe and shall govern the conduct of off-reservation commercial troll fisheries in the areas and times outlined below. Subsistence salmon fishing regulations within marine and freshwater areas will be described in subsequent emergency regulations.

1. FISHING AREAS

Commercial salmon catch reporting areas 4B, 5, 6, and 6C.

2. EFFECTIVE DATES

May 1, 2017 through April 30, 2018.

3. LAWFUL GEAR

- A. Hand lines: Maximum 2 single or 1 treble hook per line; all hooks must be barbless. Maximum of two lines per fisher.
- B. Salmon troll gear: Maximum of 8 lines per vessel; maximum of 72 hooks per vessel. All hooks must be barbless.

4. TIMES AND AREAS OF OPENINGS

Days and Times

Fishing shall be permitted at all hours of each day during each of the following open periods:

- A. Area 4B: Open for Chinook only, from 5/1/2017 through the earliest of 6/30/2017 or reaching a Treaty ocean fishery sub-quota of 20,000 Chinook.

Open for all species except coho and chum salmon, and steelhead, from 7/1/2017 through the earliest of 9/15/2017, or reaching a Treaty ocean fishery sub-quota of 20,000 Chinook. Coho, chum, and steelhead must be released unharmed. Chinook salmon measuring less than 24" must be released unharmed.

- B. Areas 5, 6, 6C: Open for all species except coho and chum salmon, and steelhead, from 6/16/2017 through 9/30/2017, subject to the area and catch restrictions outlined below.
- C. All Areas: Open for all species, from 11/1/2017 through 4/15/2018, or when the Treaty catch of Chinook salmon reaches the preseason established harvest guidelines of 8,500, subject to the area and catch restrictions below.

5. AREA RESTRICTIONS

Troll gear must not be operated closer than 1,000 feet away from any stream or river mouth, or within a 1,000 yard radius from the mouth of the Elwha River.

Area 6, east of a line due north from Green Point, and the waters of Port Angeles Harbor (west of a line from the tip of Ediz Hook, to the ITT dock), shall be closed to salmon trolling through 9/30/2017.

Area 6C, Freshwater Bay (inshore of a line from Angeles Point to Observatory Point), shall be closed to salmon trolling through 9/30/2017.

Hoko Bay (inshore of a line from Kydaka Point to Shipwreck Point), shall be closed to salmon trolling through 9/30/2017.

6. COMMERCIAL HARVEST

When commercial fisheries are open, the following size limits and species restrictions must be observed.

A. All Areas: All chum and coho salmon and steelhead must be released unharmed through 9/30/2017.

B. Area 4B: Through 9/30/2017, all Chinook measuring less than 24” must be released unharmed. From 11/01/2017 through 4/15/2018, all Chinook salmon measuring less than 22” must be released unharmed.

C. Areas 5, 6, and 6C: All Chinook salmon measuring less than 22” must be released unharmed.

7. TAKE-HOME COMMERCIALY CAUGHT SALMON

During commercial troll fisheries, no more than six (6) undersize chinook salmon, per fisher, may be kept daily for take-home subsistence purposes. Commercial take-home catch must be recorded on a Treaty Catch Receiving Ticket in the section provided.

8. EMERGENCY REGULATIONS

These regulations may be modified at any time by emergency regulations.

9. AUTHORITY

This regulation is promulgated by the Lower Elwha Klallam Fisheries Manager under authority specified by the Lower Elwha Klallam Fishing Ordinance, Third Edition.

Robert Elofson
Fisheries Manager
