

Dear fellow tribal members,

My name is Edward V. Johnson, son of Virgil Johnson Jr. and Annette Johnson, grandson of Virgil Johnson Sr. and Frieda (Spuddy) Johnson. I am writing you today asking for your support in the upcoming elections. My efforts will be to bring positive changes to the tribe. I intend to unify and strengthen a team atmosphere among council members to enable optimal progress. My candidacy brings a wide variety of great beneficial experience to the tribe. My experience in tribal government enables me to hit the ground running. I have served 2 terms (2009-2012) on the tribal council in the capacity of secretary and treasurer, served the housing board (2003-2018) and served on the fish committee (2002-2012).

My passion for improving our community is my primary reason for running for tribal council again. I thoroughly enjoyed my position in the past when I was there. I have a very strong desire to see us thrive without outside help and to grow our community in a safe and healthy way. I'd be honored to have the pleasure of serving you in the years to come.
