

# Clallam Transit System Comprehensive Operational Analysis:

## Creating an Adaptable Transit Future

○ ○ ○

Clallam Transit System (CTS) is committed to providing customer-friendly, reliable, economical, and efficient public transportation options for the entire Clallam County community. In the year ahead, Clallam Transit is conducting a Comprehensive Transit Operational Analysis (CTOA) and exploring ways to more effectively serve the public while adapting to new economic, demographic, and technological trends.

### PROJECT PURPOSE

Guided by the CTS 2020-2025 Transit Development Plan, the CTOA will:

**1.** Update the CTS service strategy to increase regional mobility and connectivity.

**2.** Identify ways to remain efficient and cost-effective in the delivery of services.

**3.** Grow and enhance community-centered services in a sustainable way.

### GET INVOLVED

The outcomes of this project will affect the Clallam County community, today and in the future. Because of that, every member of our singular community is a key partner in this effort. Throughout the duration of the project, there will be many opportunities to share experiences, offer ideas, and provide feedback.
