### LOWER ELWHA KLALLAM TRIBE

Attention Homeowners

Attention Homeowners

Do YOU own your home ? You may qualify to RECEIVE funding for home repairs!

Lower Elwha is applying for funding to help out our homeowners! These funds are federal dollars, so in order for you to receive help, you must be income eligible. We would like to provide information to you and discuss home repairs for homeowners.

Meeting Date: Thursday, August 19, 2021

TIME:

4:00 pm Group 1 5:00 pm Group 2 6:00 pm Group 3

LOCATION: Tribal Center Dining Hall 2851 Lower Elwha Rd. Port Angeles

Per **LEKT Resolution 80-21** and the Tribes reopening plan under #4 where members of the tribe may engage in indoor gatherings, of up to 40 participants, but only if appropriate social distancing practices are followed and masks are used by those persons who are not fully vaccinated when they are <u>not</u> eating or drinking.

Due to LEKT being in phase 3.5 and current restrictions, there will be three (3) meeting times for the community homeowners regarding this program, please attend the timeframe that suites your schedule.

\*\*\* Please enter into the dining hall from the hallway by the tribal kitchen and across from the Elders lounge, you will need to sign in before entering. We encourage that you leave your children home or elsewhere, as we can only allow 40 people into the dining hall at one time, which includes all staff.

All Tribal Homeowners are encouraged to attend

NOT VACCINATED—YOU ARE REQUIRED TO WEAR A MASK

Tribal Operations/Public Health Office Update—Tia Skerbeck

# TRIBAL OPERATONS OFFICER UPDATES

#### VACCINE SUPPORT PROGRAM

he Youth and Adult COVID-19 vaccine support program is still under way, with promotional items ranging from \$200 gift cards to \$400 checks. To participate you must be fully vaccinated, meet the eligibility criteria, and apply online. Limited paper applications are available at the Tribal Center, and Social Services. Assistance completing the application is available, just call me at 360-452-8471 x7420.

#### COVID-19 CASES

OVID cases have been staying low for our community, with only 2 cases in the past 2 weeks. Keep up the great work, continue to stay home when sick, and get your vaccination if you haven't already. Vaccinated people are starting to contract COVID, with no symptoms, this is called "break through cases" when this happens it is very important for the vaccinated positive COVID individual to follow isolation restrictions, as COVID can still very easily be passed to others. If you are vaccinated and notified that you're a close contact to someone who's tested positive, please ensure you're tested at 5 days from exposure to the person that tested positive. This helps us contain the spread of COVID and continue to detect it in those that may have no symptoms.

### VACCINES

urrently the Health Department is scheduling COVID vaccinations for the Moderna, Johnson & Johnson, and Pfizer vaccines. Youth aged 12-17 are now eligible for the Pfizer vaccine and will need a guardian to accompany them to their appointment. To schedule your COVID vaccine, call the clinic at 360-452-6252.

### FREEZERS

he freezers are finally starting to be delivered! The freezers have started to ship from the manufacturer, and the appliance company has been reaching out to folks. So far the small (less than 10 cubic feet) chest freezers have been delivered. The next batch due for arrival are all of the standup style. These should arrive in two semi-trucks. Expect to hear from the appliance company around the end of July/beginning of Aug to schedule delivery and install times. The large chest freezers (larger than 10 cubic feet) are still being manufactured, and we don't have an estimated arrival date, but hopefully later in August.

### PHASE 3.5

n June 29th, resolution 80-21 was approved which moved the Tribe into Phase 3.5 of the re-opening plan. This phase allows for vaccinated people to no longer wear masks (with exceptions for health department staff, and staff that work with populations that are not eligible for the COVID-19 vaccine (kids and infants)), larger group sizes indoors (40), and unlimited groups size outdoors. The CDC's guidelines for travel should be followed.

## **BUSINESS COUNCIL**

Frances G. Charles Tribal Chairwoman, Ext. 7411

Russ Hepfer Vice Chairman, Ext. 7412

Ed Johnson Secretary/Treasurer Ext. 7414

Steve Joaquin Robideau Council Member, Ext. 7413

### Expanded ages for COVID-19 vaccine

July 16, 2021

Dear Parent or Guardian,

In Washington State, children ages 12 years and older can now get vaccinated against COVID-19. The Pfizer-BioNTech COVID-19 vaccine was approved by the federal government on May 12, 2021 for expanded ages. The same day, the Western States Scientific Safety Review Workgroup approved the Pfizer vaccine for expanded use in Washington State. This means you can schedule your children who are 12 and older for COVID-19 vaccination.

The Lower Elwha Klallam Tribe, the WA State Department of Health, and local school districts recommend eligible children get vaccinated against COVID-19 as soon as possible so they can return to normal activities such as in-person learning, sports, and visiting friends.

Parents/guardians can schedule vaccine appointments for their children by calling the Lower Elwha Health Department at 360-452-6252. Here are a few important notes:

- Children ages 12-17 can only get the Pfizer-BioNTech vaccine. The other two
  vaccines in the U.S. are only available for ages 18 and older.
- The Pfizer vaccine is given in two doses, spaced at least three weeks apart.

To prepare for the next school year, we encourage parents to schedule wellness visits with their health care provider early. Because required school vaccinations must be spaced at least two weeks apart from COVID-19 vaccination, we encourage parents/guardians to plan accordingly if their child needs additional vaccines. Check what vaccines your child may be missing at wa.MyIR.net.

The Pfizer vaccine is safe and effective in adolescents 12 and up. Just like adults, children may experience some common side effects for 1 to 3 days after vaccination, including sore arm, tiredness, or headache. If you have questions or concerns about COVID-19 vaccination, we suggest talking with your health care provider.

Vaccine Information

# **COVID-19 Vaccines** What Parents of Minors Should Know

### Why should children get vaccinated?

Since March 2020, about 1.5 million children in the United States have gotten COVID-19. Children account for over 20 percent of new COVID-19 cases.

Getting vaccinated will help children stay safe at school and hang out with their friends and family again. They'll be much less likely to get seriously ill, be hospitalized, or die from COVID-19.

# Which vaccine should minors get?

Minors (12 -17 years old) are eligible for the Pfizer-BioNTech vaccine.

Clinical trials showed that this vaccine was proven to work very well at preventing COVID-19 in youth.

Other COVID-19 vaccines haven't been authorized for youth yet.

# Does my child need a second shot?

Yes, the Pfizer vaccine is two doses given 21 days apart. Your child must get the Pfizer vaccine for both doses

Ask to schedule an appointment for your child's second dose when they are getting their first dose.

# What does the COVID-19 vaccine do?

The COVID-19 vaccine trains your body to build defenses to the disease that keep you from getting sick.

### Are the vaccines safe?

Yes. The Pfizer vaccine was tested on **thousands** of youth and shown to be safe. It was also very effective - none of the youth volunteers who got the vaccine got COVID-19.

The vaccine was shown to be safe across people of many races and those with health conditions.

The Department of Health checks safety reports regularly to make sure there are no safety concerns.

### When can children see their friends and other family members?

People are fully vaccinated two weeks after their final dose.

Visit our website lifeaftervaccine.org

for more Information on how your child can continue to protect themselves and their community.

### Vaccine Information

#### Minors are eligible for the Pfizer-BioNTech COVID-19 vaccine. Not all providers and vaccination sites carry it, so you may need to check a few places

Where can minors get vaccinated?	How do minors get an appointment?				
Child's health provider	Call your child's provider or make an appointment online for them.				
Mass vaccination clinics	Visit our website: <b>vaccinelocator.doh.wa.gov</b> Or call 1-833-VAX-HELP (1-833-829-4357), then				
Local pharmacies	press # Language assistance is available.				
Pop-up or community clinics	You may hear about the clinic from a friend or community member. Ask them how to sign up.				

### What should minors bring to their vaccine appointment?

In most cases, parents and guardians will need to provide consent to vaccination for someone under age 18. Ask the vaccine location what they need for consent.

They may be asked for the following, but children do not need to give them:

- identification .
- insurance card
- social security number

Children do not need to be a U.S. citizen to get the vaccine. They will not ask for anyone's immigration status.

Personal data will only be used for public health purposes.

### How much does the vaccine cost?

The COVID-19 vaccine is available at no cost to you or your child. You should not be charged or get a bill.

### What are the side effects?

Side effects are common. Just like adults, your child may feel:

### Throughout their body:

- Tiredness
- Headache
- Muscle pain
- Chills
- Fever
- Nausea

### On the arm where your child got the shot:

- Pain
- Redness
- Swelling

It is common to experience stronger side effects after the second dose of the Pfizer-BioNTech COVID-19 vaccine

Call 911 if you child has an allergic reaction. You can report any side effects your child feels: vaers.hhs.gov.

### DOH 820-174 May 2021

To request this document in another format, call 1-800-525-0127. Deaf or hard of hearing customers, please call 711 (Washington Relay) or email civil.rights@doh.wa.gov

### **Emergency Rental Assistance**

# LOWER ELWHA KLALLAM TRIBE EMERGENCY RENTAL ASSISTANCE (ERA) FAQs

### 1. Who is eligible? A household must:

- Pay rent toward a rental agreement or "rent to own" mutual help agreement
- Have a household income at or below 80% of the area median income (Clallam County graph below). If you live outside Clallam County your AMI will be calculated to your location.

FY 2021 Income	Median Family Income	FY 2021 Income Limit Category	Persons in Family							
Limit Area	Explanation		1	2	3	4	5	6	7	8
Clallam County, WA	\$76,400	Very Low (50%) Income Limits (\$) Explanation	24,750	28,250	31,800	35,300	38,150	40,950	43,800	46,600
		Extremely Low Income Limits (\$)* Explanation	14,850	17,420	21,960	26,500	31,040	35,580	40,120	44,660
		Low (80%) Income Limits (\$) Explanation	39,550	45,200	50,850	56,500	61,050	65,550	70,100	74,600

### AND one of the following criteria:

- Qualified for unemployment benefits.
- Have experienced a reduction in household income, incurred significant costs, or experienced other financial hardship due to COVID-19 (since March 2020).
- Can demonstrate a risk of experiencing homelessness or housing instability (since March 2020).
- 2. Is there an application deadline?
  - Funds will remain available until either the Tribe or the Treasury exhausts them.
- 3. Do I qualify if I have already received assistance?
  - Yes, as long as the funds are not being used to cover the months that have already been paid.

4. I already receive housing assistance from the federal, state, or local government. Can I still apply?

• Yes, but funding will only cover your portion of the rent payment.

# **ENHANCING THE LIVES OF PEOPLE**

Elwha River Casino

glad to have Mrs. Gina, and we're grateful for your contributions to the organization. Warmest congratulations to you and your new position and best wishes for the future. Thank you from the Elwha River Casino!!

- 5. How much assistance can I receive?
  - ERA can provide up to 12 months rent dating back to March 2020. The amount received will be determined by each individual needs.
- 6. How soon after I apply will I get funded?
  - Once an application is fully submitted you can expect the process to take 7-14 days.

7. How will I know if LEKT ERA has all the documentation and information they need from me to process the application?

- Once your application is submitted, you will not be able to go back into the Portal to make changes. LEKT ERA will review you application and contact you via e-mail to inform you of any discrepancies or missing information that will prevent processing your application. IT IS IMPORTANT THAT YOU MONITOR YOUR E-MAIL FOR ANY MESSAGES.
- 8. Will LEKT ERA provide me with the full amount I requested?
  - No. Your application is subject to review by LEKT ERA and funding availability.
- 9. If utilities are covered in the rent, will LEKT ERA still process payment?
  - Yes, utilities covered under rent will be treated as rent.
- 10. If approved, when will I receive the money?
  - If approved, your payment will be sent directly to the landlord and/or utility company.
- 11. Does my landlord need to be involved?
  - Yes, LEKT ERA will need your landlord to provide a rental ledger, W-9, and tenant information.

12. What information do I need to provide?

• Photo ID, income for each household member over the age of 18 for 2020, current copy of lease agreement, COVID impact (letter from employer, proof of unemployment, loss of income), and a rent statement and/or utility bill.

### Additional questions?

### August 2021 Newsletter - Lower Elwha Family Advocacy Program

I (Beatriz) hope all of you are enjoying the summer season the best you can, despite the circumstances you may be facing.

The Lower Elwha Family Advocacy Program staff is finishing up implementing all of the goals, objectives and activities requested in the *IHSDVPI – Indian Health Service Domestic Violence Prevention Initiative* grant, which ends September 29, 2021. Part of final activities of this grant is to provide another on-site training, which is now in a planning stage along with the Elwha Task Force members and supporters. This training will be in closed partnership with *Healthy Transition Program* and the entire *Social Services* department. Please watch for an announcement with detailed information in the mail or on the Elwha website.

Another activity that I will be in collaboration with LEKT programs on, especially with the Language program, is to offer traditional supplies with awareness/educational information in relation to violence and healthy relationships. See Elwha Language Program's events calendar. I will also be distributing and collecting a survey from Elwha community members during Elwha Drum Group (July 20, 27, August 03, 10, and 24 from 4:00 to 6:30 PM at the Old Day Care building). If you have not completed a survey from Beatriz/LEFA in 2019 to now, please do so! Participants who complete a survey receive a \$25.00 gift card.

The **Talking Circle Women's Support Group** is being offered on Wednesdays from 11:30 AM to 12:30 PM via virtual until August 4<sup>th</sup>. Weekly: Join Zoom Meeting: <u>https://us06web.zoom.us/j/83934965848?pwd=QldSb0VPTFVhOGdCbVptZVIvbS9uQT09</u> Meeting ID: 839 3496 5848; Passcode: 993805

One tap mobile: +12532158782, 83934965848#, \*993805# US (Tacoma);

+13462487799,,83934965848#,,,,\*993805# US (Houston)

**Note:** A new schedule and a new Zoom link access of *Talking Circle Women's Support Group* will be sent on September newsletter.

Lastly, I would like to send heartfelt appreciation to those who made it possible for me to be the *2021 Visionary Voice Award Washington State Recipient*. This was announced and posted by WCASP – Washington Coalition of Sexual Assault Program – in Olympia, WA at their Facebook page on May 18, 2021. To all of you who have been my backbone in many ways, há?nəŋ cn – thank you. I am truly honored and absolutely grateful for this recognition and celebration of award.

I am privileged to live and work in the heart of the Lower Elwha Klallam Tribe. Sincerely,

Beatriz Arakawa, Program Manager and Victim Advocate Lower Elwha Klallam Tribe - Lower Elwha Family Advocacy Program 3080 Lower Elwha Rd. Port Angeles, WA 98363 Office: 360-565-7257 ext. 7453; Cellular Hotline 1: 360-460-1745; Hotline 2: 360-775-9346 E-mail: Beatriz.arakawa@elwha.org Assistance to Victims of Domestic Violence, Sexual Assault, Dating Violence, Stalking, and Provide Prevention/Awareness. Mission: Victim's Safety and Autonomy through Advocacy and Community Awareness.

Head Start & Early Head Start

čəntáqa? (August 2021)

### IMPORTANT REMINDER

Is your head start application complete? All household income verification is required. Only completed applications will be considered for class selection for the 2021-22 school year. If you want tribal points, please include your tribal verification/proof with each application. Please call Michelle @ 360-452-8471 x7474 to verify. Make sure your phone and address are updated so we can reach you.

### What's up with Lower Elwha Head Start? Aka "The Children's House of Learning"

We now share the beautiful, new building with the Lower Elwha Child Care program. Bobi Clark is the Manager of the Child Care program @ 360-504-3141

2020: We were mandated to close in March due to COVID. Months later, we have gradually opened with new safety procedures including daily temperature recording by all children. We currently have all classes open but kids are scheduled to attend two days a week with one day of big cleaning and disinfecting. As of today, we are not sure what 2021-22 schedule will be yet. New rule, parents drop off children at the front desk with a staff member and the staff takes child to their classroom, then the parents leave. All adults are still required to wear masks in the building to protect our children.

The new beautiful building is located at 291 Spokwes Drive, next to the police station, next to the tower. We will let everyone know when we can host an open house safely so our community can come see our new beautiful building.

NOTE: We still have some new and current job openings, we lost some staff when COVID hit, so we need to fill some positions ASAP. Look on elwha.org for these amazing opportunities to join a great team.

### DEANN LESTER: Child Care Administrative Assistant/Receptionist

Deann greets you at the front door and escorts your child to their classroom, most of you already know her but she is our "Staff Spotlight" this month. Thank you for all you do, Deann!

I started working for Child Care when my son Nyle Hepfer was two years old in 2008. In 2009, I was offered the position of opening the Early Head Start when they first received the funding. I took college courses and got my CDA and many more trainings and became the Lead Supervisor Infant teacher. I worked from 2009 until 2014 and then took a couple years off and returned in 2018 to Child Care and am now the Child Care Administration Assistant/Receptionist.

If I could go anywhere in the world it would be somewhere warm and tropical.

Facts about myself are that I have been in this community since I was 15 years old and married Russell (Razz) Hepfer in 1998 and had our son Nyle River in 2006 and since have been bonded to this beautiful community since.

Favorite music is all new and old country music.

Advice I would give the children I watch grow up all these years is do not rush life, enjoy each and every day.

Nutrition & Diabetes

### JULY 2021 NEWSLETTER

### **KLALLAM STRONG: NUTRITION & DIABETES NEWSLETTER**

### Dawn Travelstead, MS, RD, CDE

### In this issue:

- Phytonutrients
- Eating the Rainbow
- Did you know
- Glycemic Index

### Glycemic Index

Refers to how fast sugar gets into the blood stream. You want to avoid the HIGH glycemic foods as much as possible. Such as:

White potato, white rice, anything made with white flour (bread, crackers, etc), fruit juice, dried ruit, melon and tropical fruits.

Nonitor your blood sugar to see now these foods affect you, we are all different. More info-call me.

### Did you Know?

A great place for recipes:

Www.diabetesfoodhub.org

### Phytonutrients- What are they?

Natural compounds found in plants that are powerful defenders of health. Studies show that people who eat more plant foods have reduced risk of chronic diseases such as diabetes, heart disease and cancer.

### Food Benefits:

Red: Anti-inflammatory, heart/hormone health

Orange: Anti-cancer, immune/skin health

Yellow: Cognition, eye/heart health

Green: Brain /liver health, hormone balance

Blue/purple: Anti-cancer/inflammatory, brain health, heart health

### Ways to get more Phytonutrients

- 1. Aim for 9-13 servings of plant foods daily
- 2. Try new varieties. Grow a garden, visit the farmers market or the community garden
- 3. Eat local sourced traditional foods
- Take your children or grandchildren berry picking. I eat more than I bring home!
- 5. Add dried fruit to your leafy green salad.
- 6. Have a fruit/spinach smoothie.

Don't forget to schedule your diabetes quarterly.

If you would like a nutrition session, please call me @ 360-912-1500.

Health Department

# Well-Child and Well-Baby Checkups: Keeping our Children Healthy

Your child was seen by the doctor when they were sick; does this take the place of their well-child or well-baby checkup?

### No.

While some doctors may do the needed physical while caring for mild illnesses most will not. When you call for an illness or injury, less time is scheduled than for a full checkup. Some doctors will even have you reschedule checkups if your child is not well when they come for their well-child appointment. Children cannot receive immunizations while ill and will have to get well before getting their shots.

### Why is extra time needed?

**Doctors are required to complete a set plan of screenings and immunizations at checkups based on your child's age.** This is known as the Early & Periodic Screening, Diagnosis & Treatment Program (EPSDT). This plan was developed from recommendations from the American Academy of Pediatrics and is designed for children up to age six.

Physicians who take Medicaid payments legally must provide the care designated in the EPSDT.

It is your child's <u>right</u> to receive this quality of care! Medicaid, and private insurance, must pay for these checkups as scheduled in the EPSDT, so even if your child has been in to see their doctor multiple times for illnesses, they still can be seen for their checkups.

Health Department

### What is the EPSDT timeline for checkups?

Prenatal

Newborn/2—4 days

- 1 month
- 2 months
- 4 months
- 6 months
- 9 months
- 12 months
- 15 &/or 18 months
- 24 months
- 3 years
- 4 years
- 5 years

Doctors will provide needed diagnostic screenings, including for behavior, development, sensory (hearing and vision), and dental; immunizations; provide information on nutrition, safety, and sleep; complete a health history; and assess risk factors for lead, TB, and cholesterol.

The best way to insure your child is receiving full benefit of the EPSDT is to make and keep all well-baby/well-child checkups.
